# Preview Night

Prospective students coming to Hinds next year got a flavor of the Hinds Community College experience during a special Preview Night Thursday, April 24, on the Raymond Campus football practice field.

Parents and students came to visit more than 60 booths showcasing academic programs, student organizations, athletics and more from each of the college's six locations. They also took tours of the Raymond Campus.

Featured entertainment included the Hinds jazz band, Hinds choirs and a live radio remote broadcast.

A wide range of door prizes including an iPod Shuffle, DVD players and Hinds college items were given away. Those who attended received free food and a free Preview Night T-shirt.

**"Preview**

**"This is a great way for parents and prospective students to really get a sense of what Hinds Community College is about – all the opportunities that we have for students and all the ways we can help them have a quality college experience. Programs at all six locations were represented with informative booths, plus visitors could get some practical business done while they are here." Jay Allen, Dean of Enrollment Services**

# HEADWAE

## Higher Education Appreciation Day, Working for Academic Excellence

Alexander Lee, Rankin Campus developmental math instructor, and Apryl Trimble, a sophomore English education major on the Utica Campus, were honored at the legislative HEADWAE program on Feb. 29, 2008. Mr. Lee, now in his 14th year with the college, was named earlier this fall to attend the annual Lamplighter Conference and was the featured speaker for the college's fall 2007 commencement. His recognitions at the college also include Rankin's PTK Teacher of the Year for 1994, 1999 Outstanding Academic Instructor award and, in the spring of this year, the Life Star Award. He earned his bachelor's and master's degrees at Mississippi State University. He served Pearl Junior High School for 19 years as a teacher of eighth grade general math, eighth grade Algebra I and ninth grade Plane Geometry before coming to Hinds. Alexander and his wife, Margaret, live in Pearl.

Trimble, an alumna of Hinds Agricultural High School, was recently selected to Who's Who Among Junior and Community College Students and is president of the Utica Campus Associated Student Government and Phi Theta Kappa Chapter. She is a 2006 and 2007 Deans' Scholar and received the 2007 Excellence in Education Award. Her campus activities include working with Student Support Services, serving as coordinator for the student chapter of Mississippi Association of Educators, and serving as a mentor with Peer Educators. She is a member of the Physical Education Club and the Lady Bulldogs basketball team where she was named 2007 Best Defensive Player. She participated in the Emerging Leadership program at the Utica Campus and in the 2007 National Model United Nations conference at U.N. headquarters in New York City. She is active with Friends of Utica and is a member of St. Peter Missionary Baptist Church, where she sings in the choir and serves as an usher.

The Utica resident is the daughter of HCC employees Beverly Trimble, administrative assistant with the Utica Campus WIA/ITA (Workforce Investment Act/Individual Training Accounts program) and Norman Trimble, metal trades instructor at the Rankin Campus.

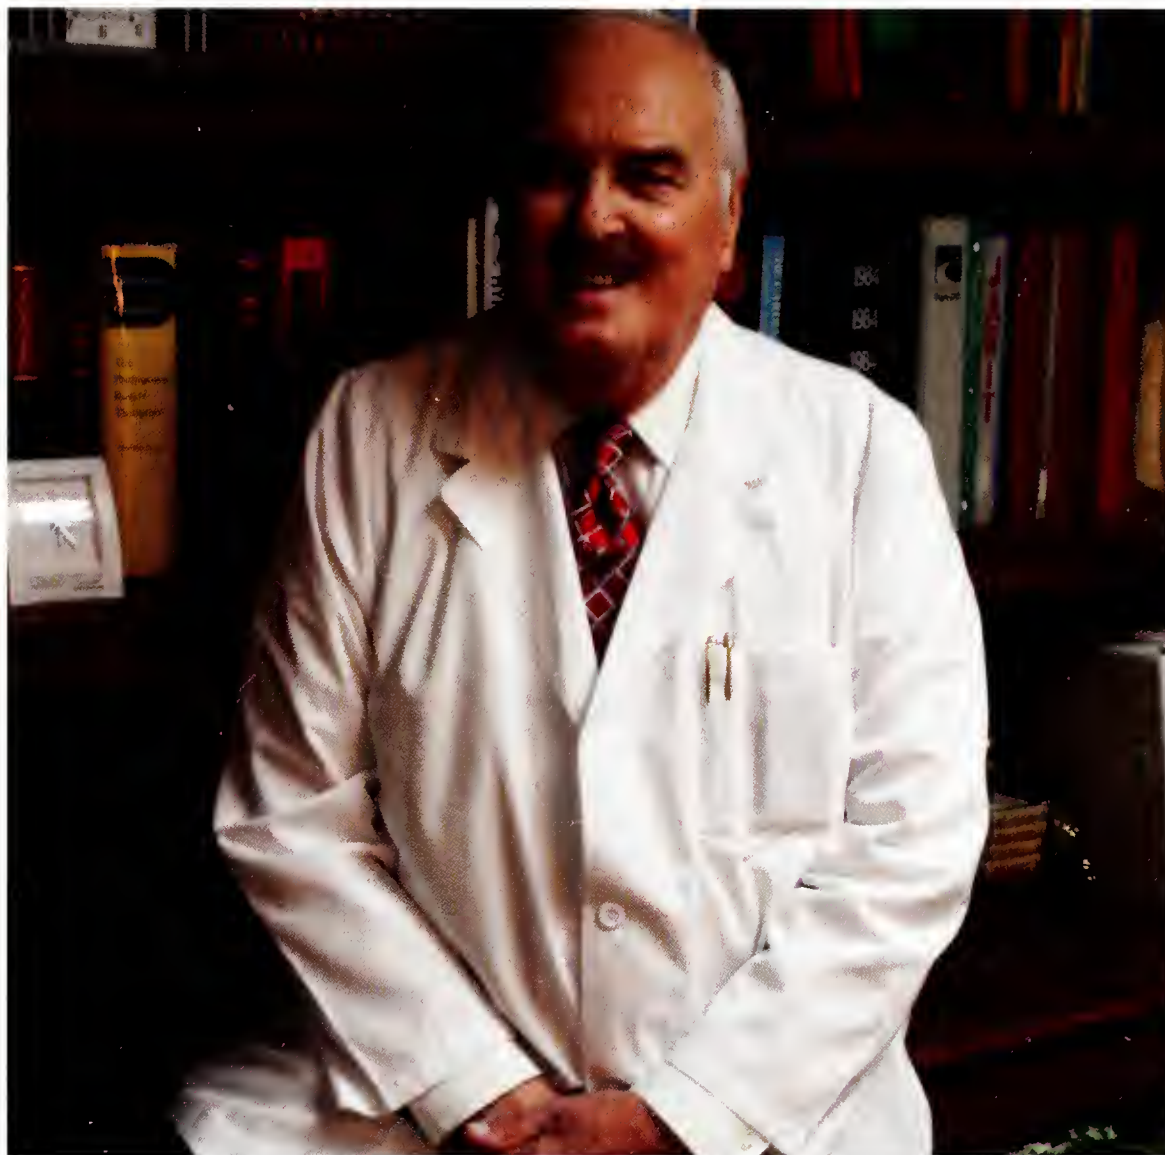

The HEADWAE program was established by the state Legislature in 1987 to annually honor the academically talented students and faculty members of Mississippi's higher education institutions who have made outstanding contributions in promoting academic excellence.

Welch, a native of Raymond, graduated in 1949 from Hinds Agricultural High School on the Hinds Junior College campus. He attended classes at the college until December 1950 when he was called to active duty with the 31st Division of the Mississippi National Guard. He served as a medical records clerk in the Clearing Company 106th Medical Battalion until his honorable discharge in September 1952. That fall, he enrolled as a full-time student at Millsaps College. While still a student, he worked 48-hour weeks as a reporter with The Clarion-Ledger; and toward the end of his senior year he left Jackson to become managing editor of the Enterprise Journal in McComb.

In September 1964, he left the newspaper and advertising business after having earned his bachelor's degree in pre-medical science at Little Rock University (now University of Arkansas at Little Rock). He then entered the University of Arkansas Medical School, where, at the end of his freshman year in 1965, he was awarded his bachelor's degree in medicine. Also, while in medical school, Welch earned his master's degree in microbiology under the National Institute of Health Honors Program. He graduated from medical school with honors in June 1968, and is a member of Alpha Omega Alpha, the national medical honorary society. In May 1971, he moved to Corinth, where he served as director of clinical laboratories at Magnolia Regional Health Center and the Tishomingo County Hospital until 1974. He then went into his current private practice of family medicine in Corinth and is a member of the American Academy of Family Physicians. Since 1974, Dr. Welch has served three terms as chief of staff of the 60-member medical staff of Magnolia Regional Health Center.

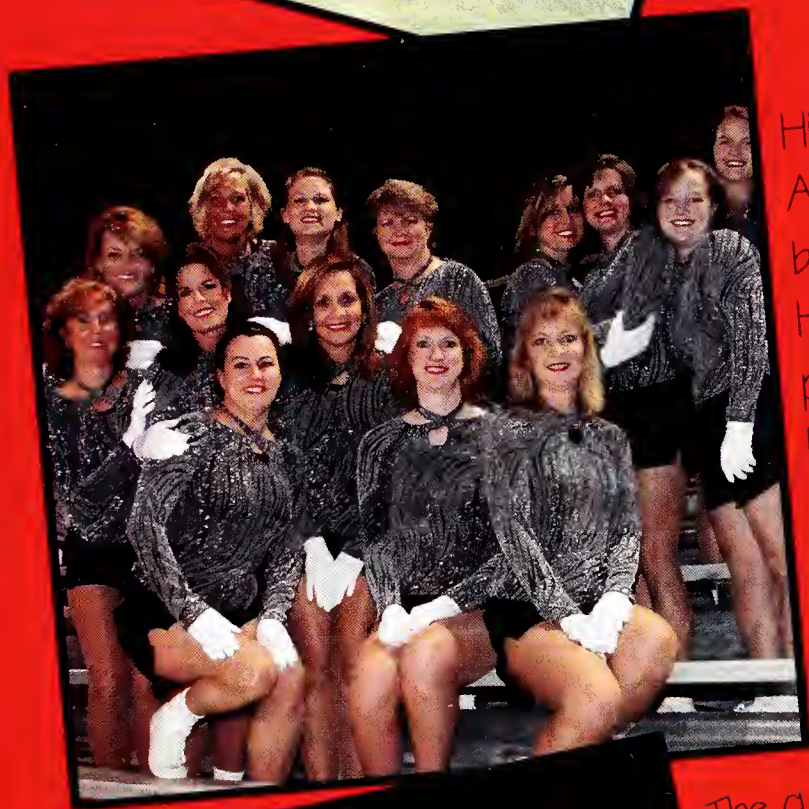

For 25 years, 1974-1999, Welch was active in aviation as an instrument-rated private pilot, and has been secretary of the Corinth-Alcorn County Airport Board for the past 20 years. He is married to the former Mary Virginia Keller of Atmore, Ala. They have three sons, Samuel Bradley Welch, M. ## The Fountain Family

James Bradley (Brad) Fountain will fill the unexpired term of his father Sonny Fountain on the Hinds Community College Board of Trustees. Sonny Fountain of Utica, a member of the Hinds board for 30 years, died March 28, 2008. At the time of his death, Fountain, 71, was president of the 15-member board.

"I am so pleased that the Fountain family will continue to be a part of our college. Brad will bring to the board a lot of the same skills as his father in construction and engineering, as well as the same desire to be of service to his community," said Hinds President Dr. Clyde Muse. Brad Fountain, 45, of Utica is president of Fountain Construction Co., which his father founded.

"It is a pleasure for me to follow in my father's footsteps in service on the board of Hinds Community College," Brad Fountain said. "Like him, I believe strongly in Hinds' mission of providing quality higher education at a price that people can afford."

The Hinds County Board of Supervisors approved his appointment unanimously.

The Hi-Steppers are the third oldest precision dance group in the nation. Now in their sixth decade of performance, the Hi-Steppers have performed for audiences across the United States, Canada, and Europe. No group in the U.S. has received more invitations to nationally-televised bowl games, professional football games, or national parades than the Hi-Steppers.

The Hi-Steppers became widely known for their high kicks and precision dancing which is still their trademark today. The Hi-Stepper tradition, though, has been built on more than performance.

Known as Mississippi's Goodwill Ambassadors, the dancers and their longtime director, Mrs. Anna Bee, have given their time and energy to many worthy causes, such as Easter Seals and Toys for Tots. Nursing homes, senior centers, children's homes, and a host of other services have benefited from the Hi-Steppers' generosity and kindness.

BSU is a Christian student organization that gives students the opportunity to know Christ more and to make Him known. The BSU is open to all the students regardless of background and provides numerous opportunities for students not only to grow in their faith but to build lasting relationships with others.

# Honors Program

The Honors Program provides students an opportunity to excel in academics and a place to meet. Students in the Honors Program must maintain at least a 3.5 college GPA, enroll in one honors class per semester, do 10 hours of community service and take the Forum. They receive approximately \$200 a semester. This gives students the opportunity to take discussion-based classes, challenge themselves and gain recognition.

# PTK All-Mississippi Academic Team

The Hinds Community College All-Mississippi Academic Team included Taylor McCraney, Janet Koester, Kimberly Watson, Apryl Trimble, Jerrica Stimage, Emily Edwards and Rachel Swords. The team was recognized by the Mississippi Legislature for their outstanding scholastic achievements. They were also recognized as part of the Feb. 22 Deans' and President's Scholars Awards Day. # The Hindsonian

Student Newspaper

With the 2007-08 academic year, The Hindsonian student newspaper began publishing three times each semester. A staff of about a dozen hard-working students met weekly to outline each issue's content, write news and columns and take photographs.

The newspaper is eight pages, tabloid sized with four pages of color photographs plus maroon spot color. Student leaders at each of the Hinds locations wrote columns about the happenings at their campus.

Staff members of The Hindsonian included:

John McKellar, photographer; Ricardo Lampkin, writer and photographer; Kenny Broome, Sarah Howard, Daniel Hill, JoAnna Hulitt, Jana Mertens, Josh Long, Priscilla Fue, Jessica Spears, Coby Gaines and Toni Greene.

Adviser was Cathy Hayden.

## Yearbook

The Eagle yearbook represents the people, organizations and activities of Hinds Community College. The 2007-2008 staff, a significantly larger group than in years before, brought new ideas and creativity to the book. Under the leadership of editor Chelsea LeBlanc, the staff developed the book's theme, A View from Tomorrow, to reflect the changes and progress Hinds has seen this year and is planning for the future. Yearbook staff included: Chelsea LeBlanc, Adam Arrington, Courtney Allen, Ashley Barksdale, Kristen Blaine, Kayla Braswell and Ernesto Mora. John McKellar and Ricardo Lampkin contributed photography, and Jana Mertens also contributed information. Ann McNair was the adviser.

# Hinds is the View From Tomorrow

## A Message From the Editor:

This yearbook wasn't something I thought I would be a part of when I came to Hinds. From past experiences I knew that working on a yearbook was time and dedication that I thought I could not possibly spare my first year of college. However, when presented with the opportunity something came over me to say "yes, I would love to be editor." Little did I know this book would place me way over my head because Hinds is so much more than I thought it was. The theme, A View From Tomorrow, truly does reflect Hinds' meaning. The school in itself prepares you for the real world, and Hinds students are what the world needs to expect. I have truly enjoyed working with the staff this year, and in the LITTLE amount of time we had I think we developed friendships that will last a lifetime. I really do owe a huge thanks to Ann McNair, because not only was she the adviser, she was a friend that I now look up to. This yearbook was a major challenge and I hope it represents Hinds the way it should!
